### Présentation — 序文

L'objectif de cette publication est de fournir aux chercheurs un outil bibliographique qui permet de cerner l'état de la question à l'égard de l'attitude, de l'image, de la perception, de la représentation et de la vision des étrangers à l'égard du Japon.

Afin de mener à bien cet exercice, nous avons effectué une recension exhaustive des travaux ayant pour thème le Japon vu par les étrangers. Grâce aux banques de données disponibles sur le Web, il a été possible de faire l'inventaire de centaines d'articles, de livres, de rapports de recherche et de thèses portant sur l'image du Japon ou un thème apparenté, perçu à travers notamment la littérature, les relations internationales et le tourisme. Bien que la plupart des textes retenus portent sur la période contemporaine de l'histoire japonaise, c'est-à-dire à partir de l'ère Meiji, quelques documents réfèrent aux époques antérieures.

この出版の目的は、日本についての外国人の態度・イメージ・認識・描写・見方に関する研究 状況を明確にできるような文献データを研究者に提供することである。

この作業を抜かりなく遂行するため、「外国人が見た日本」というテーマの研究を徹底調査した。インターネット上のデータバンクのお蔭で、日本像についての、または、文学・国際交流・観光を特に通じて窺われる(日本像というテーマに通じるところのある)一テーマを扱っている数百もの記事・書籍・研究報告・学術論文の一覧を作成することが可能となった。テクストの大半が、明治時代に始まる近現代に係わるものだが、それ以前の時代に言及しているものもいくつかある。
